Experts to Share C-Suite Talent and Workforce Priorities for 2017

Lisle, IL – January 4, 2017 – The [Leadership Group](#) (LG) will host a webcast to discuss the results of a recent survey regarding talent and workforce priorities of C-Suite top executives including attracting and retaining talent, corporate culture, onboarding plans, turnover reduction, succession plans, compensation programs, and more.

This free webcast scheduled for **Tuesday, January 24, 2017, at 1:00 P.M. CST** will feature Joe Nogal, Vice President and Chief Financial Officer of [Eli's Cheesecake Company](#), who will weigh in with his perspective on the survey results. The Leadership Group's founder, John Liacone will moderate the discussion, and share the results of the C-Suite talent survey, followed by a question and answer session.

"The survey covered a range of topics focused on talent and workforce priorities for the coming year", states John Liacone, Founder of The Leadership Group. *"This webcast will share some very insightful survey results, along with the unique perspective of our panelist."*

Survey results are sponsored by [The Overture Group](#), a leading search and compensation consulting firm. The webcast is free to both members and non-members of the Leadership Group and all attendees will receive a complimentary copy of the survey report.
